Any woman, 18 years or older, regardless of race, religion, or ethnic background, who can prove lineal descent from a patriot of the American Revolution, is eligible for membership in the Daughters of the American Revolution. Applicants will complete an official NSDAR application that includes genealogical data with accompanying documentation to prove each generation's link to herself. Among other sources, documents include birth, marriage and death records. (See the Chapter Registrar, Deborah Tajmajer for more details.) Tracing your lineage is valuable because it preserves your family's heritage. DAR volunteers are willing to provide guidance and assistance with your first step into the world of genealogy. Nathan Hale Memorial Chapter serves the towns of lower Connecticut River Valley and welcomes prospective members from all over the country.
